Rule 490-2-1-.02. Authority and Definitions

These rules are adopted under the authority of Alabama Code (2003 supp.) § 25-13-1 *et seq.* For the purposes of these rules all definitions shall be the same as section 25-13-2 of the Elevator Safety Act:

- (1) ADMINISTRATOR. The State Commissioner of the Department of Labor or his or her designee.
- (2) ASCE 21. American Society of Civil Engineers Automated People Mover Standards.
- (3) ASME A17.1. The Safety Code for Elevators and Escalators, an American National Standard.
- (4) ASME A17.3. The Safety Code for Existing Elevators and Escalators, an American National Standard.
- (5) ASME A18.1. The Safety Standard for Platform Lifts and Stairway Chairlifts, an American National Standard.
- (6) AUTOMATED PEOPLE MOVER. An installation as defined as an "automated people mover" in ASCE 21.
- (7) BOARD. The Elevator Safety Review Board.
- (8) CERTIFICATE OF OPERATION. A document issued by the administrator that indicates that the conveyance has had the required safety inspection and tests, and fees have been paid as set forth in this chapter.
- (9) CERTIFICATE OF OPERATION; TEMPORARY. A document issued by the administrator which permits the temporary use of a non-complaint conveyance by the general public for a limited time while minor repairs are being completed.

(10) CONVEYANCE. Any elevator, dumbwaiter, escalator, moving sidewalk, platform lifts, stairway chairlifts, and automated people movers.

(11) DORMANT ELEVATOR, DUMBWAITER, or ESCALATOR. An installation placed out of service as specified in ASME A17.1 and ASME A18.1.

(12) ELEVATOR. An installation as defined as an "elevator" in ASME A17. 1.

(13) ELEVATOR CONTRACTOR. Any sole proprietor, firm, or corporation who possesses an elevator contractor's license in accordance with the provisions of Alabama Code § 25-13-7 or § 25-13-8, and who is engaged in the business of erecting, constructing, installing, altering, servicing, repairing, or maintaining elevators or related conveyances covered by this chapter.

(14) ELEVATOR HELPER/APPRENTICE. Any person who works under the general direction of a licensed elevator mechanic. A license is not required.

(15) ELEVATOR INSPECTOR. Any person, as defined in ASME QEI as an inspector, who possesses an elevator inspector's license in accordance with the provisions of this chapter.

(16) ELEVATOR MECHANIC. Any person who possesses an elevator mechanic's license in accordance with the provisions of Alabama Code § 25-13-7 or § 25-13-8 and who is engaged in erecting, constructing, installing, altering, servicing, repairing, or maintaining elevators or related conveyances covered by this chapter.

(17) ESCALATOR. An installation as defined as an "escalator" in ASME A17.1.

(18) EXISTING INSTALLATION. An installation as defined as an "installation, existing" in ASME A17.1

(19) LICENSE. A written license, duly issued by the administrator, authorizing a sole proprietor, firm, or company to carry on the business of erecting, constructing, installing, altering, servicing, repairing, or maintaining or performing inspections of elevators or related conveyances covered by this chapter.

(20) LICENSE, ELEVATOR CONTRACTOR'S. A license which is issued to an elevator contractor who has proven his or her qualifications and ability and has been authorized by the board to possess this type of license. It shall entitle the holder thereof to engage in the business of erecting, constructing, installing, altering, servicing, testing, repairing, or maintaining elevators or related conveyances covered by this chapter.

(21) LICENSE, ELEVATOR MECHANIC. A license which is issued to a person who has proven his or her qualifications and ability and has been authorized by the board to work on conveyance equipment. It shall entitle the holder thereof to install, construct,

alter, service, repair, test, maintain, and perform electrical work on elevators or related conveyances covered by this chapter.

(22) **LICENSE, LIMITED ELEVATOR MECHANIC.** A license which is issued to a person who has proven his or her qualifications and ability, and has been authorized by the board to work on platform lifts and stairway chair lifts.

(23) **LICENSE, INSPECTOR.** A license which is issued to an ASME QEI or State certified elevator inspector who has proven his or her qualifications and ability and has been authorized by the board to possess this type of license. It shall entitle the holder thereof to engage in the business of inspecting elevators or related conveyances covered by this chapter.

(24) **LICENSE, LIMITED ELEVATOR CONTRACTOR'S.** A license which is issued by the administrator, authorizing a sole proprietor, firm, or company who employs individuals to carry on a business of erecting, constructing, installing, altering, servicing, repairing, or maintaining platform lifts and stairway chairlifts within any building or structure, including, but not limited to, private residences.

(25) **LICENSEE.** An elevator mechanic, elevator contractor, elevator inspector, or elevator inspection agency.

(26) **MATERIAL ALTERATION.** An "alteration" as defined in the referenced standards.

(27) **MOVING WALK OR SIDEWALK.** An installation as defined as a "moving walk" in ASME A17.1.

(28) **PRIVATE RESIDENCE.** A separate dwelling or a separate apartment in a multiple dwelling which is occupied by members of a single-family unit.

(29) **REPAIR.** A "repair" as defined in the referenced standards and which does not require a permit.

(30) **TEMPORALLY DORMANT ELEVATOR, DUMBWAITER, or ESCALATOR.** An installation whose power supply has been disconnected by removing fuses and placing a padlock on the mainline disconnect switch in the "OFF" position. The car is parked and the hoistway doors are in the closed and latched position. A wire seal shall be installed on the mainline disconnect switch by a licensed elevator inspector. This installation shall not be used again until it has been put in safe running order and is in condition for use. Annual inspections shall continue for the duration of the temporally dormant status by a licensed elevator inspector. "Temporally dormant" status shall be renewable on an annual basis and shall not exceed a five-year period. The elevator inspector shall file a report with the chief elevator inspector describing the current conditions. The wire seal and padlock shall not be removed for any purpose without permission from the elevator inspector.

(31) All other building transportation terms are as defined in the latest edition of ASME A17.1 and ASME A18.1.

Board Powers and Standards

Rule 490-2-2-.01. Board Composition and Powers

(1)The Elevator Safety Review Board is comprised of 10 members as specified in Alabama Code § 25-13-5. The Board's office is located at the Department of Labor, 100 N. Union Street, Suite 620, Montgomery, Alabama 36130.

(2) The Board controls the issuance, renewal, suspension and revocation of elevator mechanics, lift mechanics and inspectors licenses. In order to exercise its powers and carry out its responsibilities the Board may:

- (a) Conduct or otherwise provide examinations;
- (b) Conduct hearings with regard to the administration of its affairs;
- (c) Investigate all matters within its jurisdiction; and,
- (d) Adopt rules consistent with its statutory authority.
- (e) The public may obtain information and make submissions or requests at the Board's office.

Authority: ALA. CODE §§ 25-13-5, -6, -13, and -20 (2003).
History: New Rule Filed April 21, 2004.

Rule 490-2-2-.02 Registration of Conveyances

(1)The owner or lessee of a conveyance shall register the conveyance with the department, pursuant to rules adopted by the Board. The registration shall include the type, rated load and speed, manufacturer, location, purpose, date of installation and any additional information the Board may require.

(2) Six months after the Board's adoption of these Rules, the Board may, after notice and hearing, assess an administrative penalty of no more than \$500.00 per day against a building owner or lessee who fails to register a conveyance as required by this subchapter 30 days after being directed to do so by the Board.

(3) A jurisdiction tag shall be furnished and shall be permanently attached on or near the conveyance's crosshead by the inspector. On conveyances without a crosshead, jurisdiction tags shall be attached to the equipment on the car top. On conveyances also lacking car tops, the jurisdiction tag shall be attached on or near the control panel.

History: New Rule Filed April 21, 2004.

Rule 490-2-2-.03. Minimum Standards and Adoption of Nationally Recognized Safety Codes

(1) If not previously adopted, The Board shall automatically adopt the latest editions of the following standards six months from their effective date:

THE NATIONAL SAFETY CODE FOR ELEVATORS AND ESCALATORS
(ASME A.17.1)

THE NATIONAL SAFETY CODE FOR EXISTING ELEVATORS AND
ESCALATORS (ASME A.17.3)

Those conveyances that are required to be in compliance with the provisions of ASME A17.3 – 1996 shall have until July 1, 2009 to meet the requirement of this standard.

THE NATIONAL SAFETY STANDARD FOR PLATFORM LIFTS AND STAIRWAY
CHAIRLIFTS (ASME A.18.1)

THE NATIONAL SAFETY STANDARD FOR THE QUALIFICATIONS OF
ELEVATOR INSPECTORS (ASME QEI-1)

AUTOMATED PEOPLE MOVER STANDARDS (ASCE 21)

(2) Hydraulic elevators that have any portion of the cylinder buried in the ground and that do not have a double cylinder or a cylinder with a safety bulkhead shall:

- (a) have the cylinder replaced with a double cylinder or a cylinder with a safety bulkhead protected from corrosion by one or more of the following methods:
 - (1) monitored cathodic protection;
 - (2) a coating to protect the cylinder from corrosion that will withstand the installation process;

(3) by a protective plastic casing immune to galvanic or electrolic action, salt water, and other known underground conditions; or

(b) be provided with a device meeting the requirements of Section 3.5 or a device arranged to operate in the down direction at an overspeed not exceeding 125% of rated speed. The device shall mechanically act to limit the maximum car speed to the buffer striking speed, or stop the elevator car with rated load with a deceleration not to exceed 32.2ft/s^2 (9.8m/s^2), and shall not automatically reset. Actuation of the device shall cause power to be removed from the pump motor and control valves until manually reset; or

(c) have other means acceptable to the authority having jurisdiction to protect against unintended movement of the car as a result of uncontrolled fluid loss.

(d) All new and existing jacks must be in compliance by October 1, 2007

(3) The following standards shall govern restricted openings of hoistway doors and/or car doors on passenger elevators.

(a) When a car is outside the unlocking zone, the hoistway doors or car doors shall be so arranged that the hoistway doors or car doors cannot be opened more than 4 in. (102 mm) from inside the car.

(b) When the car is outside the unlocking zone, the car doors shall be openable from outside the car without the use of special tools.

(c) The unlocking zone shall extend from the landing floor level to a point no greater than 18 in. (457 mm) above or below the landing floor level.

(d) All existing elevators that are not in compliance with this rule have six months after the inspection report is received by the department to be in compliance.

(4) The following procedures shall be followed for Temporary Certificates of Operation

(a) A temporary certificate of operation may be issued at the discretion of the chief inspector if requested by the elevator contractor and the inspector. This request must be submitted by the inspector in the form of an inspection report, along with the required fee.

(b) The fee required for the certificate and inspection is \$100.00 must be submitted with the inspection report at the time of the request. The remaining \$160.00 will be paid to the inspector as determined at the time of the inspection. Any violations that would prevent the elevator from receiving a temporary certificate of operation must be completed prior to sending in the inspection report.

(c) The elevator must have all safety devices properly tested and witnessed by the inspector. The inspector along with the elevator contractor must decide if an elevator operator will be required. If so, the operator must receive proper training by the elevator contractor. If an operator will be stationed in the elevator during operation, no working phone is required during temporary operation. The operator will be required to have some form of 2-way communication.

(d) When the inspection report and fee are submitted to this office, the inspector is certifying the elevator is safe for this type service.

(5) In order to reduce the hazards associated with water on energized circuits from the activation of sprinklers in the elevator equipment room, new elevator installations, and modernizations/alterations will require the shunt trip of each elevator disconnecting means to be located outside the elevator equipment room.

It shall de-energize both the line side and load side of the affected elevator's disconnecting means.

In cases of extreme difficulty in locating the shunt trip outside the machine room, and with prior written approval from the administrator, locating the shunt trip in the machine room may be approved, if the disconnect is a rainproof NEMA 3R or better enclosure.

Control circuits to shut down elevator power shall be monitored for presence of operating voltage. Loss of voltage to the control circuit for the disconnecting means shall cause a supervisory signal to be indicated at the control unit and required remote enunciators.

Rule 490-2-2-.04. Variance, Exemption and Reconsideration

(1) The Board may grant a variance approving a different solution to compliance with the intent of this code. In considering a request for a variance, the board may take into consideration the impact to the historic character of the conveyance and/or the building. It is the policy of the Board that whenever possible the determination of a variance or exemption request be made by the Elevator Safety Review Board.

(2) In order for a variance or exemption request to be reviewed the owner or designated representative shall submit:

(a) Evidence that the proposed or existing conveyance is not in compliance with this Code.

(b) Evidence, letters, statements, test results, construction documents, or other supporting information as required to justify the request.

(8/15/2006c) Evidence that strict compliance with the Code would entail practical

difficulty, unnecessary hardship or is otherwise found unwarranted.

(d) Evidence that any such variance or exemption secures the public safety and health and that the methods, means or practices proposed provide equal protection of the public safety and health.

(3) The determination on the variance or exemption request shall be made in writing to the applicant and shall advise the applicant of the reconsideration process. This determination shall be made no later than 30 days after the request is made.

(4) The Board may reconsider an interpretation or decision made pursuant to this Section. To request reconsideration the owner shall submit a written request to the Board including:

(a) Evidence the proposed or existing conveyance is not in compliance with this Code.

(b) Evidence, letters, statements, test results, construction documents or other supporting information as required to justify the request.

(c) Evidence that the true intent of the Code has been incorrectly interpreted, or the provisions of the Code do not fully apply; or the decision is unreasonable or arbitrary as it applies to alternatives or new materials.

(5) The request for reconsideration shall be submitted no later than 30 days after receiving the variance or exemption determination.

(6) A request for variance, exemption, or reconsideration shall not relieve a person from complying with this Code, permit or occupancy requirements, unless the Board expressly authorizes an extension of compliance period pending review of the request.

Rule 490-2-3-.06. Emergency and Temporary Mechanics Licenses

(1) Whenever an emergency exists in the state due to disaster, act of God, or work stoppage, as declared by the President of the United States or Governor of Alabama, and the number of persons in the state holding licenses granted by the administrator is insufficient to cope with the emergency, the licensed elevator contractors shall respond as necessary to assure the safety of the public. Any person certified by a licensed elevator contractor to have an acceptable combination of documented experience and education to perform elevator work without direct and immediate supervision shall seek an emergency elevator mechanic license from the administrator within five business days after commencing work requiring a license. The administrator shall issue emergency elevator mechanic licenses. The licensed elevator contractor shall furnish proof of competency as the administrator may require. Each such license shall recite that it is valid for a period of 30 days from the date of issuance for particular elevators or geographical areas as the administrator may designate and shall entitle the licensee to the rights and privileges of an elevator mechanic license issued in this chapter. The administrator shall renew an emergency elevator mechanic license during the existence of an emergency. No fee shall be charged for any emergency elevator mechanic license or renewal thereof.

(2) A licensed elevator contractor shall notify the administrator when there are no licensed personnel available to perform elevator work. The licensed elevator contractor may request that the administrator issue temporary elevator mechanic licenses to person certified by the licensed elevator contractor to have an acceptable combination of documented experience and education to perform elevator work without direct and immediate supervision. Any person certified by the licensed elevator contractor to have an acceptable combination of documented experience and education to perform elevator work without direct and immediate supervision shall immediately seek a temporary elevator mechanic license from the administrator and shall pay a fee of \$50 per month. Each such license shall recite that it is valid for 30 days from the date of issuance and while the person is employed by the elevator contractor who certified the individual as

qualified. The license shall be renewable as long as the shortage of license holders shall continue.

(3) For purposes of this Rule, the phrase “acceptable combination of documented experience and education” shall mean at least two years of experience in performing elevator work and the completion of at least 288 hours of Board-approved education relating to the same.

Rule 490-2-3-.07. Continuing Education

The renewal of all licenses granted under the provisions of this section shall be conditioned upon the submission of a certificate of completion of course(s) designed to ensure the continuing education of the holder of a License on new and existing provisions of the regulations of the Division. Such course(s) shall consist of not less than eight hours of instruction that shall be attended and completed within the year immediately preceding the renewal.

The course(s) shall be taught by instructors through continuing education providers that may include, but shall not be limited to, association seminars, and labor training programs. The Board shall approve the continuing education providers. All instructors shall be approved by the Board and are exempt from the requirements of the preceding paragraph with regard to their application for License renewal provided that such applicant was qualified as an instructor at any time during the year immediately preceding the renewal.

A holder of a License who is unable to complete the continuing education course required under this section prior to the expiration of their License due to a temporary disability may apply for a waiver from the Division. This will be on a form provided by the Division, shall be signed under the pains and penalties of perjury and shall be accompanied by a certified statement from a competent physician attesting to such temporary disability. At that time a waiver sticker, valid for 90 days, shall be Issued to such person and affixed to their License. Upon the termination of such temporary disability, such person shall submit to the Division a certified statement from the same physician, if practicable, attesting to the termination of such temporary disability.

Approved training providers shall keep uniform records, for a period of ten years, of attendance of person holding an License following a format approved by the Division and such records shall be available for Inspection by said Division at its request. Approved training providers shall be responsible for the security of all attendance records and certificates of completion; provided,

however, that falsifying or knowingly allowing another to falsify such attendance records or certificates of completion shall constitute grounds for suspension or revocation of the approval required under this section.

Rule 490-2-3-.08. Permits

(1) An application for a permit shall be filed with the department in accordance with Alabama Code § 25-13-16(d) for all elevator work covered under these rules.

(2) Each application for a permit shall be accompanied by copies of specifications and accurately-scaled and fully-dimensioned plans that clearly indicate location of the elevator in the building; the location of the machinery room and the equipment to be installed, relocated or altered; all structural supporting members, including foundations; and a specification of all materials to be used and all loads to be supported or conveyed. The plans and specifications shall be sufficiently complete to illustrate all details of construction and design.

(3) The applicable fees shall accompany each permit application.

(4) A permit may be revoked for any of the following reasons:

- (a) Where any false statements or misrepresentations were made as to the material facts in the application, plans, or specifications on which the permit was based.
- (b) Where the permit was issued in error and should not have been issued in accordance with this chapter.
- (c) Where the work detailed under the permit is not being performed in accordance with the provisions of the application, plans, or specifications or with this chapter or conditions of the permit.
- (d) Where the elevator contractor to whom the permit was issued fails or refuses to comply with a STOP WORK order.
- (e) If the work authorized by the permit is not commenced within six months after the date of issuance or within a shorter period of time as the administrator, or his or her authorized representative in his or her discretion, may specify at the time the permit is issued.
- (f) If the work is suspended or abandoned for 60 days, or shorter time as the administrator may specify at the time the permit is issued, after the work has been started.

(5) The administrator may allow an extension of time at his or her discretion.

DISCIPLINARY PROCEDURES

Rule 490-2-4-.01. Complaints

A person may file a complaint with the Board by doing so in writing, setting forth a full statement of the facts concerning the alleged infraction of the elevator licensing law or rules. In the event a complaint is filed with the Board, the Board's investigation shall not be limited to the matter set forth in the request for investigation but may extend to any act coming to the attention of the Board which appears to violate the law or these rules.

Rule 490-2-4-.02. Disciplinary Proceedings

(1) In accordance with Alabama Code § 25-13-13, the Elevator Safety Review Board may revoke or suspend a license. This shall not preclude the Board from taking lesser steps, including, but not limited to formal reprimand, required education, etc. The Board may act if any one or more of the following reasons exist:

- (a) Any false statement as to material matter in the application.
- (b) Fraud, misrepresentation, or bribery in securing a license.
- (c) Failure to notify the administrator and the owner or lessee of an elevator or related mechanism of any condition not in compliance with this chapter.
- (d) Violation of any provisions of this chapter.

(2) The Board may take these actions only after notice and provision to the licensee of an opportunity to appear before the Board for a hearing, in accordance with Alabama Code § 41-22-12 *et seq.*, the Alabama Administrative Procedure Act, and these rules issued thereunder.

Rule 490-2-4-.03. Initiating a Complaint against a Licensee

(1) Form of complaint filing. A person may register a complaint against a mechanic or inspector licensed by the elevator Board by filing a written

complaint with the Department of Labor. The written complaint must set forth, at a minimum, the nature, date and place of the alleged violations. The Board may also initiate a license review procedure on its own motion by filing a complaint with the department.

(2) Verification. Upon receipt of a complaint, the department will verify the license number of the person against whom the complaint is lodged. If the person is unlicensed and the complaint alleges criminal conduct, the department will refer the complaint to the office of the Attorney General or the Office of the District Attorney having jurisdiction over the case. If the person is a licensee of the Board, the department will docket the complaint and open an investigation file under the name and license number of the person.

(3) Investigating Panel. An investigating panel consisting of an investigator designated by the department and an Assistant Attorney General will be formed upon the docketing of a complaint. The Assistant Attorney General assigned to the case will head the panel and supervise the investigation of the complaint.

Rule 490-2-4-.04: Initiating the Investigation

(1) Notice to the Licensee. The department will send written notice of the initiation of an investigation to the licensee against whom the complaint has been filed. The notice shall include a copy of the complaint and a copy of the statute and these rules. The notice will inform the licensee that inquiries or materials regarding the investigation should be addressed to the investigating panel at the address of the department.

(2) Notice to the Board. The department will send written notice to the Board and the complainant indicating that an investigation has been instituted regarding a licensing complaint.

(3) The inspector assigned to investigate the complaint shall inspect the work which is the subject of the complaint and interview the complainant. The inspector may also meet and interview the licensee at the direction of the Assistant Attorney General or District Attorney assigned to the matter.

Rule 490-2-4-.05. Recommended Action

- (1) At the conclusion of the investigation the Assistant Attorney General or District Attorney assigned to the matter shall make a recommendation as to whether formal proceedings should commence against the licensee.
- (2) If formal disciplinary proceedings are recommended, the Assistant Attorney General or District Attorney shall submit a complaint describing the alleged violations, and the rules or statutes violated, with the recommendation.
- (3) If the licensee is willing to admit to the charges the Assistant Attorney General or District Attorney may explore the possibility of a stipulated settlement. A stipulated settlement must be approved by the Board.
- (4) If no disciplinary action is recommended the case will be closed and the complainant and the license will be notified that no further action will be taken at this time. The matter may be reopened if new evidence is presented.

Rule 490-2-4-.06. Administrative Hearing Procedures

- (1) The Board may appoint a person to act on its behalf as Hearing Officer at its administrative hearings. The Hearing Officer shall preside at administrative hearings and shall rule on all questions of evidence and procedure. The Hearing Officer shall admit all evidence that is relevant, material, and which has probative value to the issues under consideration by the Board. Offers of settlement and compromise are not admissible. The Hearing Officer shall consider the evidence presented and submit a recommendation to the Board, including: a procedural summary of the case; findings of fact; conclusions of law; and a recommended decision on the issues included in the administrative complaint including, if necessary, suggested administrative punishment pursuant to the charges in the administrative complaint. The Hearing Officer's recommendation shall be considered by the Board but is not binding on the Board. The Board shall issue an appropriate administrative order modifying, approving, or rejecting the Hearing Officer's recommendation. The Board shall issue its orders within thirty (30) days after receipt of the hearing Officer's recommendation. If the hearing was conducted by the Board itself, the Board shall issue its order within thirty (30) days after receipt of the court reporter's transcript of the administrative hearing. The Board's order in all instances shall include a procedural history of the case, findings of fact, conclusions of law, and its decision regarding the issues contained within the administrative complaint including, if necessary, the appropriate administrative punishment.

(2) Prior to the taking of witness testimony at the administrative hearing, the Respondent or Respondents shall enter a plea of “guilty” or “not guilty” to each charge contained in the administrative complaint.

(3) All parties shall be allowed to make a concise opening statement regarding the charges in the administrative complaint, defenses to the administrative complaint, expected testimony and evidence, and any proposed administrative punishment.

(4) The parties shall be allowed to present evidence by direct and cross-examination. The executive director, or a designee acting on behalf of the Investigative Committee, shall present its evidence first followed by the other parties in the order determined by the Board or its Hearing Officer. Examination of witnesses shall not be unduly repetitious. The testimony of all parties and witnesses shall be made under oath administered by the Board or the Board’s Hearing Officer.

(5) The Board or the Board’s Hearing Officer may examine and question any party or witness regarding the administrative complaint and defenses thereto.

(6) All parties shall be allowed to make a brief closing statement summarizing the evidence presented and regarding the applicability or relevant state law and/or Board rules and regulations.

(7) All testimony and statements given in the administrative hearing shall be electronically or stenographically recorded. Any party wishing to obtain a transcript of the hearing shall make arrangements with the court reporter to receive a copy of the transcript at their own expense.

(8) The parties shall not be bound by the strict rules of evidence prevailing in the courts. Evidence shall be admitted in accordance with the Alabama Administrative Procedures Act, Section 13. The administrative complaint and all attachments thereto shall be made a part of the administrative record for consideration by the Board without further authentication.

(9) The Board or its Hearing Officer may admit into evidence the deposition of any witness who is not subject to the subpoena power of the Board or who is unable to be present to testify at the hearing because of death, physical or mental illness, or other good reason at the discretion of the Board or its Hearing Officer.

(10) All exhibits that are offered into evidence, whether admitted or not, shall be made a part of the administrative record in the case and be included as part of the court reporter’s original transcript of the hearing. The party who offers each exhibit shall be permitted to substitute a true copy of the exhibit for the

original exhibit upon request to and permission by the Board or its Hearing Officer.

(11) All objections concerning the conduct of the hearing or the admission of evidence may be stated orally or filed in writing during the hearing. The objections and responses thereto shall include a statement of the grounds for the objection and legal authority relied upon. The ruling on the objection by the Board or the Board's Hearing Officer shall be made a part of the administrative record of the hearing. Any party may make an offer of proof regarding evidence that is not admitted and may describe the general nature of the evidence offered and not admitted as part of the administrative record of the hearing.

(12) The Board or the Board's Hearing Officer may allow the parties to submit for consideration a proposed order or recommendation which includes a procedural history, proposed findings of fact, conclusions of law, and any suggested administrative punishment. The parties shall cite the appropriate pages of the hearing transcript for any proposed findings of fact.

(13) The administrative hearing shall be otherwise conducted in compliance with the provisions and in accordance with the Alabama Administrative Procedures Act, Alabama Code § 41-22-12, *et. seq.* and Alabama Code § 25-13-13.
